

Make a Gift That Helps Us - and You!

Proposal for John Q. Donor

Consider a Charitable Gift Annuity to Support Fenway

The generosity of donors like you have made it possible for the Fenway School of Psychology to provide students with a one-of-a-kind academic experience noted for hands-on research opportunities, personalized faculty mentoring, and small classes at an affordable price.

One way you can generously support Fenway is by creating a charitable gift annuity.

Funding a charitable gift annuity would be a great way for you to add to the John Q. Donor Scholarship Fund at Fenway. Alternatively, you might consider using your gift to support research into telepathic treatments that you've expressed interest in. Fenway is making great strides in our understanding of this exciting new approach to psychotherapy!

Is a Charitable Gift Annuity Right for Me?

Would you like to receive fixed, dependable payments for life — and save taxes — while making a significant gift to Fenway?

Many donors have used a charitable gift annuity to help them achieve these goals.

A charitable gift annuity could be right for you if:

- You want to provide income for yourself or others.
- You want the security of fixed, dependable payments for life
- You want to save income taxes or capital gains taxes
- You would like income that is partially tax-free for many years
- You want a gift plan that is easy and inexpensive to set up
- You are considering a gift amount of \$25,000 or more

How a Charitable Gift Annuity Works

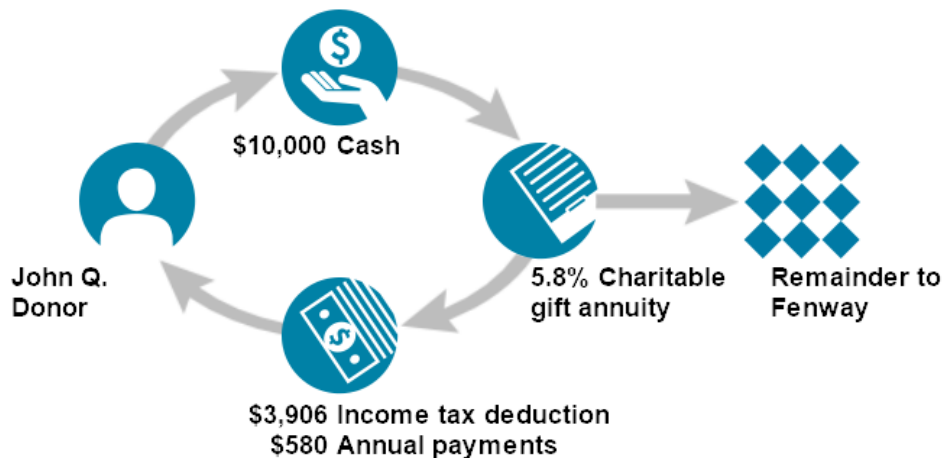

1. You irrevocably transfer cash, securities, or other property to Fenway.
2. You receive a generous income tax deduction. If you give securities or other property that have grown in value, you also save capital gains tax.
3. Fenway pays a fixed amount each year to you or to anyone you name for life. The older the recipients, the larger the payments. Typically, a portion of these payments is tax-free for many years.
4. When the charitable gift annuity ends, its remaining principal passes to Fenway. You may designate how we use these funds.

Example Prepared for John Q. Donor

This diagram shows the benefits if you give \$10,000 to Fenway in exchange for a charitable gift annuity that makes payments each year for an annuitant, age 72.

In addition to providing generous support to Fenway, these benefits include a \$3,906 income tax charitable deduction and \$580 in payments each year for life. Even better, \$421 of each year's payments will be tax-free for the first 14.5 years.

These calculations are for illustration purposes only and should not be considered legal, accounting, or other professional advice. Your actual benefits may vary depending on several factors, including the timing of your gift.
