IRS DISCOUNT RATES

* March 2021	0.8%	December 2020	0.6%
* February 2021	0.6%	November 2020	0.4%
* January 2021	0.6%	October 2020	0.4%

** When calculating a deduction, you may choose the discount rate for the month of the gift or from one of the two previous months. Gifts made in 2021 or 2020 to pooled income funds created in the 3 previous years use 2.2%.*

PG Calc Referral Program

At PG Calc, we have always been powered by client satisfaction and our reputation for excellence and integrity. Word-of-mouth referrals from our satisfied partners are how most of our clients come to us. We are actively looking to reward our clients for those referrals. More details can be found at <https://www.pgcalc.com/service/pg-calc-client-services#tablinks-5>.
